PERFORMING AGENCY: EL PASO CITY-COUNTY HEALTH & ENVIRONMENTAL DISTRICT

RECEIVING AGENCY PROGRAM: TOXIC SUBSTANCES CONTROL DIVISION

TERM: October 01, 2004 THRU: December 31, 2004

### SECTION I. SCOPE OF WORK:

PERFORMING AGENCY shall perform asbestos compliance activities, including compliance inspections and compliance assistance with respect to state and federal asbestos regulations.

PERFORMING AGENCY shall perform the compliance activities in accordance with the plans, directives, policies and procedures of the RECEIVING AGENCY. Compliance inspections shall be prioritized according to risk and will be initiated both by abatement notifications and through local surveillance of demolition and renovation activities.

PERFORMING AGENCY shall produce a monthly volume of compliance work that equates to one full-time equivalent (FTE) inspector position, meeting minimum performance standards established by the RECEIVING AGENCY. This program performs inspections and provides compliance assistance with respect to the Texas Asbestos Health Protection Act and Rules, the federal Asbestos Hazard Emergency Response Act, and the National Emission Standards for Hazardous Air Pollutants.

PERFORMING AGENCY shall adhere to the milestones contained in Exhibit "A" attached hereto and made a part of this Attachment. Failure to meet the performance standards contained in Exhibit "A" may result in termination of the contract with a 30-day notice.

### SECTION II. SPECIAL PROVISIONS:

General Provision, Miscellaneous Provisions, is revised to include the following:

If funds become unavailable through lack of appropriations, budget cuts, transfer of funds between programs or agencies, amendment of the appropriations act, health and human services agency consolidation, or any other disruption of current appropriations, provisions of the Termination Article shall apply.

The financial status report is due the 30th of March.

# EXHIBIT "A" CONTRACT REQUIREMENTS

# TIME LINE MILESTONE 1 - Staffing

### On-going

A. El Paso City-County Health and Environmental District (ECCHED) shall provide a minimum of one (1) full time equivalent employee (FTE) and ensure the employee is properly trained to perform inspections and related support work necessary to facilitate Texas Department of State Health Services (DSHS) compliance objectives applicable to state and federal asbestos regulations.

#### 10-1-2004

- B. ECCHED shall submit to DSHS a report on each employee whose activities are chargeable under this contract. This report shall contain, at a minimum:
  - (1) Names and respective responsibilities of asbestos staff in the ECCHED.
  - (2) Training completed by each staff member, including physicals and fit testing for breathing apparatus.
  - (3) A summary of training assistance needed for the FY 2005 asbestos program.

# TIME LINE MILESTONE 2 - Inspections

#### On-going

- A. ECCHED shall employ procedures for conducting asbestos inspections in accordance with the DSHS standards, procedures, and guidelines. The procedures shall include as a minimum:
  - (1) Standardized inspection checklist(s) as developed by DSHS covering all of the current asbestos regulatory requirements.
  - (2) Written inspection procedures to include:
    - (a) Use of standard checklist(s);
    - (b) Observation of work practices, including containment entry, when possible;
    - (c) Documentation of violations through recorded observations, samples, and photographs;
    - (d) Collection of samples and their subsequent analysis and tracking;

- (e) Presentation of credential and regulatory information;
- (f) Personal protective procedures and equipment; and
- (g) Exit discussion of inspection findings.
- (4) Written procedures addressing the entering of containment, when needed, to determine compliance and the availability of personal protective equipment.
- B. EECHED shall inspect facilities having notifications ranked <u>TOP</u> and <u>HIGH</u> priority, in addition to demolition and renovation projects that have not notified DSHS. The total amount of inspections conducted for the term of the contract shall be equal to or greater than 56, with the work production distributed equally throughout the contract term. The minimum monthly inspection requirement is 15. Each active removal contractor shall be inspected at least once within the term of this contract. The monthly inspection results shall include a minimum of 75% of <u>TOP</u> priority and 50% of <u>HIGH</u> priority ranked notifications in addition to the inspections of facilities that have not notified DSHS of the demolition or renovation project.

# TIME LINE MILESTONE 3 – Compliance Assistance

On-going

ECCHED shall provide the regulated community with information that assists them with complying with state and federal asbestos regulations. The information shall include, but not be limited to copies of the pertinent regulations, DSHS regulatory clarifications, and other pamphlets and brochures published by DSHS for targeted audiences. ECCHED shall give presentations to the general public that relate to the asbestos regulations upon prior approval by DSHS.

# TIME LINE MILESTONE 4 - Reporting to DSHS

On-Going

All reports, including inspection reports and monthly production reports shall be submitted by the inspector directly to a DSHS Quality Assurance Officer (QAO) who will be responsible for ensuring all activities of the contract are performed in accordance with DSHS standards, procedures and guidelines.

A. All onsite activities relating to compliance investigations shall be documented in accordance with the DSHS Legislative Budget Board (LBB) procedures for tracking surveillance activities. The surveillance activity information shall be reported to the QAO on the first working day of each month.

B. Inspection reports shall be submitted to the QAO in no less than 30 days from the date of the inspection. Reports not meeting standards will be returned for correction and will not be counted as an inspection activity in accordance with Milestone 2 until it meets quality Standards.

### TIME LINE MILESTONE 5 - Enforcement Strategy

On-going

DSHS will receive reports and evidence of violations and conduct a program to enforce the provisions of state and federal asbestos regulations. The ECCHED asbestos inspector shall ensure that inspection reports that result in enforcement actions meet DSHS standards of evidence. As needed, ECCHED inspector(s) shall testify in formal hearings in support of the enforcement action.

### TIME LINE MILESTONE 6 – Jurisdictional Complaint Response

On-going

- A. ECCHED Inspector(s) shall respond to all citizen complaints involving asbestos containing material within 48 hours of receiving the complaint.
- B. ECCHED inspector(s) shall record all required complaint information on the appropriate forms provided by DSHS
- C. ECCHED inspector(s) shall immediately coordinate with the DSHS QAO for guidance on how to respond to any complaints that are significant in terms of concentration, duration, or potential health impacts.
- **D.** Complaint reports shall be submitted to the DSHS QAO no less than 30 days after the date of the investigation. A Complaint report is counted as an inspection activity in accordance with Milestone 2.
